

WEDDING FLOWERS

St. Mary's Church, Send

We are delighted that you have chosen the beautiful and much loved St. Mary's the Virgin in Send for your wedding. We are a team who arrange the flowers in the church for special festivals such as Easter, Whitsun, Harvest Festival and Christmas.

Flowers will be playing a big part in your special day whether it be bouquets, button holes or arrangements for the reception and of course the church. We thought it would help you plan if we set out how we can help with the church flowers. We would appreciate being given 2 months notice of a decision to use our services.

Our service would provide any combination of one pedestal, one candle ring and flowers around the archway where the wedding vows are taken. See photos below. Costs are in part dependent on the cost of flowers at the time of the wedding and whether flowers are in season and of course your budget. Our guideline charges are as follows and also contribute to our Church funds.

Pedestal = £130 - £150; Candle ring = £30 - £40, Flowers around Archway = £130 - £170

If you have other plans for decorating the church then we will arrange for you to view the church, discuss what date and time access can be organised for setting up and whether you are also planning to use the flowers at your reception and will be taking them with you after the Service.
